# Introduction - One Young World 2022 Manchester Summit

One Young World is proud to have brought our 2022 Summit to Manchester; a truly global city, with a long history of innovation and creativity.

The Summit brings together over 2,000 young leaders from 190+ countries, with the aim of tackling some of the most pressing issues of our time, such as gender inequality, conflict prevention, health equity, ethical leadership, and oceans.

To further nurture engagement and interaction between our young leaders, a digital platform was built to support the in person Summit.

All the live content was streamed and was also available on demand after the Summit, making for an immersive and unforgettable experience for all.

## At the Summit - The Opening Ceremony

The Opening Ceremony was hosted in the heart of Manchester at Bridgewater Hall, we welcomed Counsellors, Delegates and special guests to an evening of sensational entertainment from the very best of local Manchester talent. Delegates also tuned in from the Etihad Stadium - our incredible satellite event for this year, and of course digitally from around the world.

### Opening Ceremony Highlights

Hosted by TV Personality **Jenny Ryan**, this year's Opening Ceremony showcased young Manchester based talent from across the creative and artistic industries. Highlights include performances by **Ghetto Fabulous**, **Joseph Powell-Main**, **Aim Sky High Dancers** and **The KTNA and KinKai**, as well as poetry from **Lemn Sissay** and **Esther Koch**.

Speakers included the Mayor of Greater Manchester, **Andy Burnham**, the former President of Ireland, **Mary Robinson**, musician and activist, **Bob Geldof**, as well as a digital message from the Nobel Prize winning social entrepreneur, **Professor Muhammad Yunus**.

The Opening Ceremony keynote was delivered by **Meghan, Duchess of Sussex**, touching on her experience at past One Young World Summits.

The flag ceremony brought together Delegates from around the world, highlighting the global scale and impact of the Summit.

## At the Summit - Presentation Stage

Sponsored by **Reckitt**

The Accelerating Impact stage hosted Delegate speaker Q&A opportunities, and discussions on topics such as accelerating STEM education opportunities for women, and conflict in the age of disinformation.

# At the Summit - Global Community Garden

In 2022, we moved from an exhibition to a community garden, in order to foster greater conversation and connection between our delegates and global brand partners.

This garden style environment allowed for delegates to connect, engage and network.

Partner stand activations included educational touchpoints, interactive sessions and creative activities.

## Partners included

All garden and home style furnishings were provided by IKEA, and donated after the event to the children's charity Barnardo's.

### At the Summit - Workshops

Summit Workshops provide One Young World Delegates with practical insights into the issues and topics they are most passionate about, and deliver immediately applicable skills, strategies and actionable learning outcomes that help further Delegate projects and initiatives. This year's Manchester Summit offered a wide range of workshops both in person and digitally for attending Delegates.

Ibasho Workshop - Empowering Communities to Co-design a Place for the Future Generation

### At the Summit - Action Sessions

These open networking sessions offered all Delegates at the Summit the chance to share knowledge with their peers on specific subjects, explore plenary topics in more depth, or touch on topics not covered by the Summit's core agenda. After the sessions, Ambassadors are encouraged to turn conversations into collaborations, and put their learnings into practice as impactful action addressing a wide range of sustainability issues.

## At the Summit - Scholarships

One Young World strives to identify the most impactful young leaders from every country in the world. Scholarships provide the opportunity for exceptional young people to attend on the merit of their proven leadership and ability to create change in their home country.

Many of our scholars are changing the world starting at the grassroots, some are top performing professionals, while others are paving the way politically in their countries.

### Featured Scholars

**Crystal Asige** - Kenya  
**Dutch Ministry of Foreign Affairs**

Crystal Asige is a Disability Rights Advocate, founding member and vice chairperson of the Glaucoma Society of Kenya, board member of Amnesty International Kenya, and Award-Winning Musician. In 2022, she was officially nominated to the Kenyan Senate to represent Persons with Disabilities.

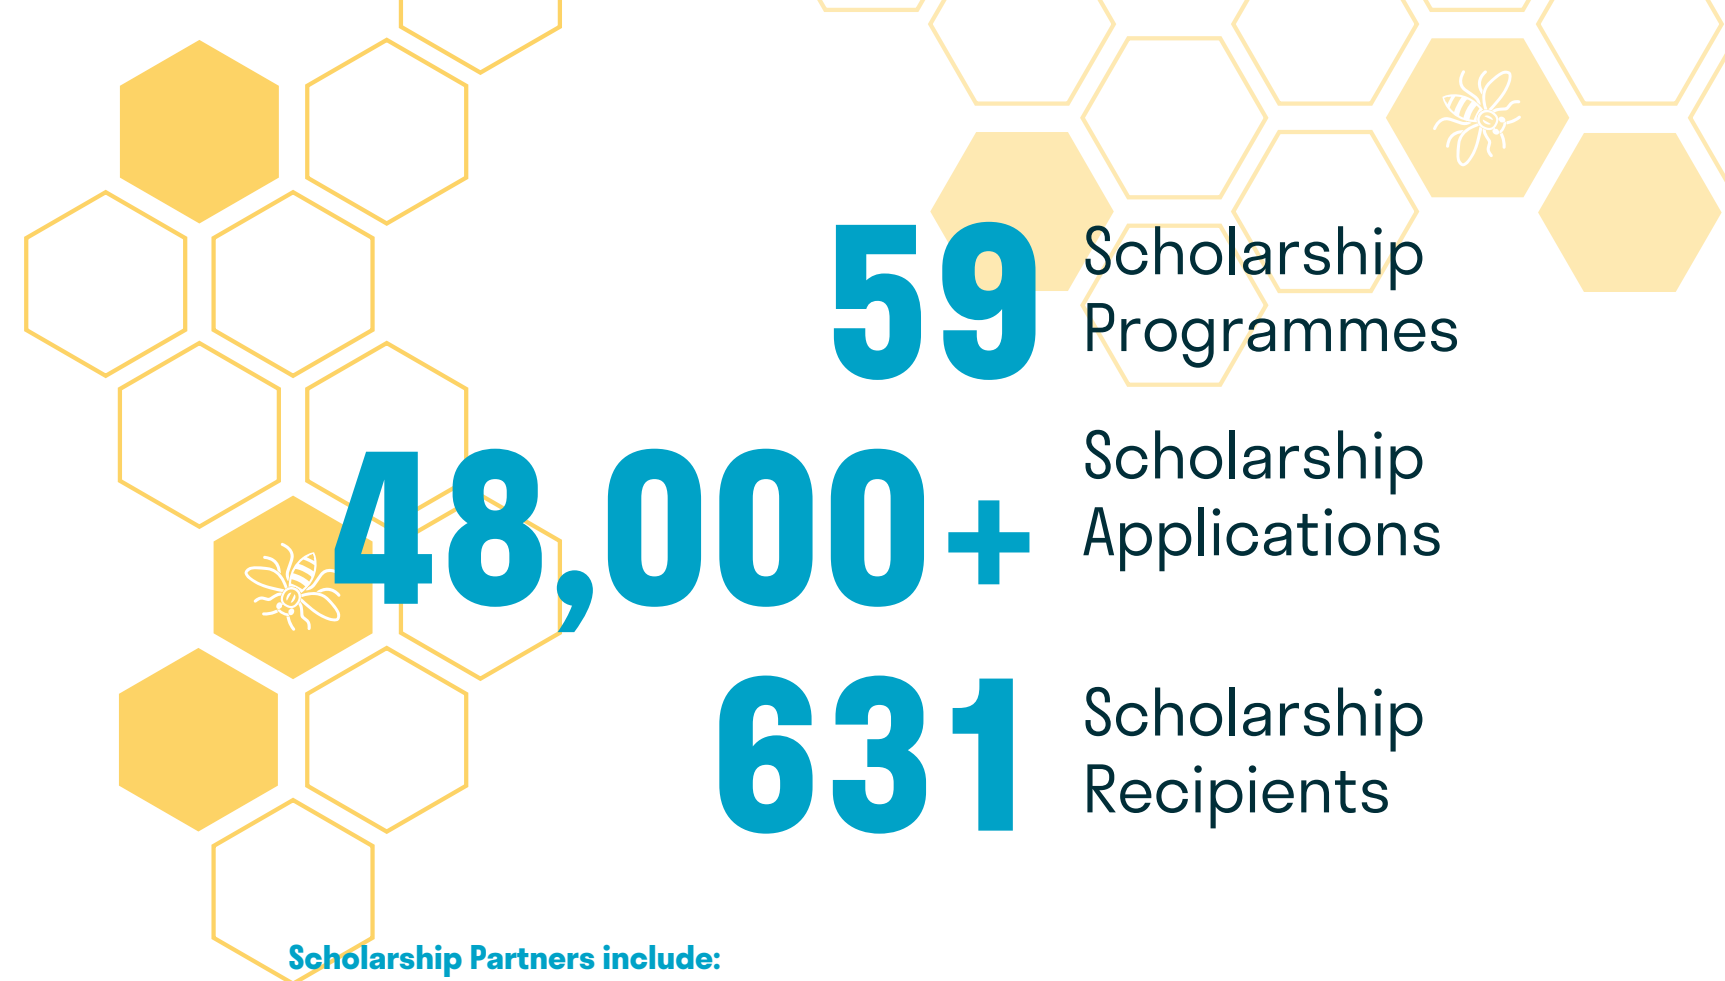

Crystal facilitates corporate 'Diversity, Equality and Inclusion' workshops that address unconscious biases and entrenched prejudices by employers towards persons with disabilities, as well as teaches personal development through thought-provoking speaking engagements. As an artist, she uses her music to deflate stereotypes and historical exclusions. Her YouTube vlog 'Blind Girl Manenos' and "Ability Show" edu-tains audiences on matters of VIP (Visually Impaired Persons) to demystify disability and break through societal barriers. Through both means, she seeks to raise awareness, celebrate diversity, and push for access to independence and equal opportunities for all people regardless of their ability or disability.

**Jaiksana Soro** - South Sudan  
**European Commission Scholar**

Originally from Yei, South Sudan, artist and media activist Jaiksana was forced to move to the Rhino Camp refugee settlement, Uganda in 2016. There he founded Platform Africa, a community-based organization engaged to reach young refugees through the power of media, education, and technology to foster equitable, informed, and resilient societies.

Formerly, as a lead correspondent in r0g\_agency's #defyhatenow initiative, Jaiksana has built a practice around social media literacy, trauma, and hate speech mitigation, as well as training open hardware skills, having helped develop #ASKotec – the Access to Skills and Knowledge open tech emergency kit. In all his work, sound art and music are closely intertwined, with Jaiksana releasing a number of successful songs, videos, and podcasts reflecting his peacebuilding mission.

## At the Summit - The Closing Ceremony

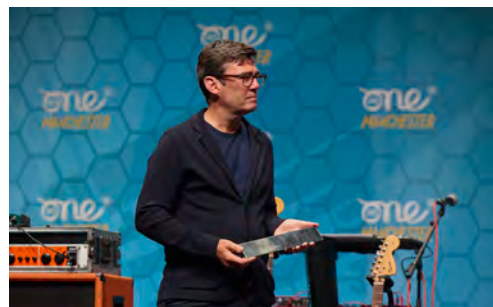

The Summit concluded with our Closing Ceremony in the main hall in Manchester Central. Not only did we have an incredible performance from one of our indigenous Delegates, **Mia Kami**, Tongan singer and songwriter based in Suva, Fiji - but we also announced a strategic priority to focus on Indigenous communities.

We presented funds to the 17 Lead 2030 challenge winners, and heard from **Mayor Andy Burnham** who passed our One Young World baton onto Belfast. Representing the City of Belfast was the CEO of Tourism at Northern Ireland, **John McGrillen**.

Due to the passing of **Her Majesty Queen Elizabeth II**, and in acknowledgement of this we paused the Closing Ceremony just after the Manchester Team had passed on the baton.

### Closing Ceremony Highlights

### What's Next...

#### 2023 Belfast, 2 - 5 October

One Young World will convene next year in Belfast, Northern Ireland, one of Europe's most vibrant and exciting destinations, brimming with culture, award-winning attractions and home to the friendliest people you are ever likely to meet.

A city bursting with energy, ambition and optimism, Belfast is moving forward at an unprecedented rate. Over one billion pounds has been invested in infrastructure over the past decade and major development and regeneration projects have transformed our tourism, transport and digital sectors. Belfast is now recognised as a vibrant destination in which to live, work, study, visit and invest.

Now an ambitious city, having emerged from decades of conflict due to the courage and resilience of its people; the city and its people understand the importance of leadership. 2023 marks the 25th anniversary of the Belfast Good Friday Agreement. With 43% of its population under 30 years old, the city has a generation of talented, responsible and civically-minded young people who are driving positive social change for a better future in Belfast.

From the birthplace of the Titanic to Game of Thrones film locations, peace tours and street art, you'll find plenty to do in Belfast.

## At the Summit - Social Programmes

Delegates were hosted at nine different locations on each Summit night. These dinners allowed Delegates time to network, relax and experience Manchester's unique historic locations. Over 24,000 meals were served, and all dietary requirements were catered for.

## At the Summit - Accessibility at the Summit

Every year we are improving on how we become a world class leader in accessible events. We are proud that we can make the Summit experience as inclusive and enjoyable for all our attendees. Every venue is assessed and has an audit conducted, as well as each Delegate having the opportunity to request support. The volunteer buddy scheme was also implemented which adds an extra layer of support and companionship.

**Sinéad Burke** - Founder and CEO, Tilting the Lens and **Caroline Casey** - Founder, Valuable 500 and **Daniel Durant** - Stage and Screen Actor

## At the Summit - Sustainability at the Summit

Sustainability is a top priority at One Young World and is a core part of our operations. We are committed to playing our part in delivering on the Paris Agreement as rapidly as possible and uphold our ISO20121 Sustainable Events certification.

Here are some of the steps that were implemented in Manchester:

- Ambassadors were encouraged to self-offset via the Manchester Airport Carbon Offset Program to minimise the environmental impacts of international travel
- Delegates living in Europe were asked to travel to the Summit via train, where possible
- Manchester Central was within walking distance to all Summit venues and hotels, if required hybrid vehicles were used
- The Community Garden offered a greener space this year
  - For the smaller stands the steel structures were reusable, the fabric graphics were recyclable or repurposed. All carpets were eco-friendly and recyclable
  - Custom Stands floor and wall panels were reusable, carpets are eco-friendly and recycled, graphics are pvc free and are recycled and all bespoke builds are either hired or free for distribution post event
- Minimal single-use plastics in all production and onsite materials. Recycling bins were provided where materials are recycled post-summit. To maintain the 100% recyclable process, Delegates had to recycle their food and drink containers. All handouts on site were plastic free and sustainably sourced
- Reusable drinks bottles were supplied to use at refreshment refill stations and the delegates were encouraged to bring their own
- The OYW merchandise store clothing is zero waste, made from certified organic cotton and printed in a renewable energy-powered factory
- All the Summit venues had sustainability policies which met our strict requirements
